6. Village Hall Committee

Cllr Paul Church reported that the Village Hall windows have been cleaned and in three weeks' time work will begin on replacing the hall lights.

7. Report of the condition of the Village Assets

The Asset Risk Assessment has been updated to account for changes in the assets.

8. Review play equipment inspection report

As yet no inspection has taken place. It was reported that the bird repellents by the swings need repairing.

9. Insurance renewal

Cllr Anne Smith said that it would be sensible to combine the Parish Council and Village Hall insurances. At the moment the Village Hall has its own insurance with Zurich.

Action: Cllr Anne Smith will contact the insurance company and find out whether they are willing to combine the Village Hall and Parish Council insurances

10. Hedge Cutting

Mr Rogers has been asked to cut the hedges but this hasn't been carried out yet. It will cost £55 + VAT to trim down to the river and £14 - £18 to spray the Village Hall Car Park. It was suggested that the cost of spraying the car park next year be carried by the Village Hall.

11. Dog Waste Bins

The cost of a dog waste bin is £195 and it would be emptied weekly. This would be placed up against the fence between the noticeboard and the bench.

12. Planning application DC/20/3234/ROC

Two members of the public voiced their objections to the above planning application. They said that the owners were already living in the garage and that work had started to turn the garage into living accommodation. They also said that the owners were living in the garage without planning permission.

The owner of the property said that her and her husband would like the storage space turned into accommodation and that her husband needed an office to work in as the building of their house has been delayed. She also said that it would just be for the family although some time in the future they may do Airbnb. She stipulated that there would be no change to the outside of the building.

Cllr Thelma Barlow has had several complaints from villagers regarding this application. They feel that the owners have been presumptuous by moving into the garage without planning permission and they feel very cross about the action the owners have taken.

The Parish Council decided to stay neutral on this matter and if anyone wants to comment they should do so individually.

13. Correspondence

The clerk had received a letter of resignation from Cllr John McKee stating that his age had helped him make this decision. Cllr Paul Church said that John had been in the village since 1972 and been involved with Bruisyard Parish Council for the past 15 years. The Council would like to thank John for the amazing work and dedication he has given to the village of Bruisyard and wish him well in the future.

14. Questions to the Chair

There were no questions to the chair.

15. It was confirmed that the next Parish Council meeting will be held on Monday 9th November 2020 in the Village Hall.

There being no other business the Chairman closed the meeting at 9 pm.
